REMARKS

Claims 1-28 are currently pending. Of these, claims 1, 4 and 25-28 are presently under consideration.

At the outset, it is noted that the PTO 1449A form submitted with the Information Disclosure Statement (IDS) dated February 15, 2002 mistakenly included two occurrences of JP 4-259809 listed thereon, whereas JP 4-259809 should have been listed on the PTO 1449A form only once. It is also noted that the PTO 1449A form returned by the Office with the November 20, 2002 Office Action includes the Examiner's initials next to the first occurrence of JP 4-259809, but both occurrences are stricken with a line therethrough.
